

## WHY TITANIUM LABORATORIES?

We are committed to treating you with the respect and professionalism you deserve by delivering straightforward service.

### PEST MANAGEMENT & MOLD REMEDIATION

Continued education is masterfully instructed to our staff by a consulting board-certified Entomologist, and an Environmental Scientist.

Competitive pricing paired with long-term results.

You will find complete solutions at Titanium Laboratories by receiving better pest coverage under our pest management program than with most other service providers.

Our pest management products are odorless and are safely applied with no preparation required by your staff; a resourceful solution saving you time and money.

Our service includes valuable education to you and to your employees through on-site seminars.

Immediate response to any of your questions or concerns 24 hours a day, 7 days a week.
